Campaign	Theme	Location	Premise
1. The Partition War	Community friction, survival, housing	Level 92	Two families are forced into one apartment after a collapse, while Nel Ardin tries to help from inside Supply.
2. The Chit-Poor Harvest	Hunger, gray market, desperation	Hydroponics, 60-80	Crop loss leaves a whole block near starvation after Nel warns the party the ledgers are lying.
3. The Flickering Dark	Infrastructure decay, solidarity, resentment	Level 105	Load shedding turns a hallway into a dark pressure cooker, and Nel buys the block a little time.
4. The Down-Shift Transfer	Bureaucracy, heartbreak, class divide	Levels 45-50 and below	The party's friend Nel Ardin is forced to leave for the Down Deep after marriage.
5. The Rust in the Reclamation	Bureaucracy, contamination, moral ambiguity	Mids, 80-85	A toxic rust-bloom is poisoning families through the water supply.

Campaign	Theme	Location	Premise
6. The Ghost in the Ledger	Bureaucratic erasure, identity, survival	Administrative tiers, 40-50	A clerical error removes a neighbour from the population registry before a compliance sweep.
7. The Tier Inheritance	Property, grief, housing	Lower Mids, 60-70	A resident has 48 hours to contest Supply's claim on their late parent's apartment.
8. The Missing Porter	Cults, hidden geography, forbidden belief	Levels 79-81	A beloved Porter vanished with a critical Judicial message.
9. The Lottery Swap	IT espionage, paranoia, family desperation	Up Top / Upper Mids, 20-34	A legitimate Lottery winner is erased from the official records.
10. The Generator Hammer	Industrial terror, class warfare	Down Deep, 130-144	A coded SOS seems to come from beneath the Generator.

Quick Kits

1. The Partition War

- **Key Faces:** Jora Miller, Tavin Holt, **Nel Ardin**, Bee, Mett Saar
- **Clue Chain:** Missing heirloom -> child's hidey-hole -> collapse truth -> blocked requisition -> parts source
- **Escalation:** Tension rises -> hallway brawl -> deputy intervention -> forced relocation or arrest
- **Fail Forward:** The thief returns the item once violence becomes real

2. The Chit-Poor Harvest

- **Key Faces:** Foreman Dera Vos, Minn Ose, Cala Venn, Brikk, **Nel Ardin**
- **Clue Chain:** Yield shortfall -> skim -> processing problem -> textile favor debt -> hungry block pressure
- **Escalation:** Half-rations -> thefts -> child collapse -> names traded for food

- **Fail Forward:** Lost food can become leverage for broader relief

3. The Flickering Dark

- **Key Faces:** Rella Voss, Inspector Dorn, Tekk Mar, Yune, **Nel Ardin**
- **Clue Chain:** Dark hallway trouble -> power disparity -> industrial socket -> illegal splice -> inspection
- **Escalation:** Crime spikes -> pump fails -> stale-air sickness -> crackdown
- **Fail Forward:** Even a failed splice makes the PCs visible local heroes

4. The Down-Shift Transfer

- **Key Faces: Nel Ardin**, Rho Kell, Supervisor Pell, Hobb Fen
- **Clue Chain:** Missing manifest -> office access -> forged delay stamp -> hidden file drawer -> travel route
- **Escalation:** Deadline nears -> neighbors turn cold -> rival alerts Judicial -> dawn deadline
- **Fail Forward:** The party can still win a temporary extension by proving sabotage

5. The Rust in the Reclamation

- **Key Faces:** Deputy Mara Quill, Doctor Pell Rane, Kett Varo, Nix "Red-Hand" Sol
- **Clue Chain:** Red residue -> melted container -> Supply mismatch -> courier route -> hidden lab
- **Escalation:** More sickness -> Hydroponics scare -> quarantine panic -> Judicial sanitation team
- **Fail Forward:** A dying victim or observant Porter supplies the missed clue

6. The Ghost in the Ledger

- **Key Faces:** Ossa Remm, Archivist Tay, Supply Clerk Phen, Retired Administrator Voss, Compliance Officer Brenn
- **Clue Chain:** Ration denial -> missing registry entry -> archived IT record -> three-desk confirmation -> Supply obstruction -> provisional certificate
- **Escalation:** Rations cut -> work voided -> apartment flagged -> early compliance sweep -> arrest warrant
- **Fail Forward:** If the forms are late, Ossa is held for 48 hours, leaving one last chance to complete the restoration.

7. The Tier Inheritance

- **Key Faces:** Dava Senne, Supply Manager Torr, Preferred Applicant Brem, Wren Cass, Panel Clerk Ilen Mosk

- **Clue Chain:** Residency records -> ration logs -> neighbour witnesses -> co-signatory -> Wren's three favours -> tribunal
- **Escalation:** 48-hour claim window -> unit catalogued -> preferred applicant moves in -> filing deadline
- **Fail Forward:** New residency evidence allows a bereavement review within 24 hours of the missed deadline.

8. The Missing Porter

- **Key Faces:** Elias Dane, Sister Avrel, Deputy Colm Werr, Bessa Pike
- **Clue Chain:** Blood and satchel -> porter schedule gap -> architectural mismatch -> vent grate -> Level 80.5
- **Escalation:** Family asks publicly -> Judicial notices -> cult relocates Elias -> execution begins
- **Fail Forward:** A runner reveals Elias used an impossible route

9. The Lottery Swap

- **Key Faces:** Lysa Trent, Inquisitor Sel Verin, Enid Marr, Doctor Hal Wen
- **Clue Chain:** Blood-test hardcopy -> burn order -> terminal log -> forged credentials -> family tie
- **Escalation:** Rumors spread -> records vanish -> Verin frames the PCs -> public hearing or silent arrest
- **Fail Forward:** A morgue attendant remembers the key order for a price

10. The Generator Hammer

- **Key Faces:** Shift-Boss Rourke, Iri Vale, Joss Trent, Old Merek
- **Clue Chain:** Flicker code -> miner's crew -> blocked route -> false checkpoint ledger -> vault noise
- **Escalation:** Pounding worsens -> Mechanical lockdown -> witnesses silenced -> vault crisis
- **Fail Forward:** Even a messy infiltration still gets them to the SOS

Universal Running Notes

- **Best opening:** Start with a queue, work shift, or communal problem rather than a mission briefing.
- **Best twist:** Reveal that a personal problem is actually being shaped by paperwork, surveillance, or scarcity.
- **Best ending tone:** Let victories feel partial, costly, or temporary rather than clean.
