SILO RPG DOCUMENT INDEX

This file serves as a routing map for LLMs and GMs to quickly locate specific lore, mechanics, and rules across the Silo RPG document suite without reading all files into context.

1. PLAYER INTRODUCTION

File: `silo_player_guide.md` **Purpose:** Session Zero handout. Visceral tone, citizen perspective, biased world-view. Contains no GM secrets. **Contents:** * **The Three Absolute Truths:** The Outside is Death, The Pact is Law, The Cleaning is Our Burden. * **Sector Vibes (Biased):** Up Top (Elite/Surveillance), Mids (Grind/Farms), Down Deep (Grease/Noise). * **Character Archetypes:** Brief descriptions of Porters, Mechanics, Supply Clerks, Hydroponics Farmers, IT Techs. * **The Friends of the Silo:** Player-facing warning about the secret police. * **Default Citizen Knowledge:** Travel realities, stamped-paper culture, and what every survivor learns by osmosis. * **Session Zero Questions & Slang:** Prompts for party creation and a quick glossary of common Silo terms.

2. COMPREHENSIVE WORLD BIBLE

File: `silo_comprehensive_bible.md` **Purpose:** The core GM reference manual for the daily, micro-simulation of the Silo. No macro-lore (Operation 50) is in this file.

- **Chapter 1: The Architecture & The Grind**

- 1.1 The Physical Reality: Stairs mechanics, acoustics, ‘The Drop’, sensory deprivation.
- 1.2 The Economy of Survival: Chits vs. Ledgers, rations (soy, rabbit, fruit), the scrap/barter economy.
- 1.3 Bureaucracy of the Life Cycle: The Lottery, birth control implants, Shadowing (apprenticeships), marriage/cohabitation permits, death and composting.
- **Chapter 2: The Law & The Panopticon**
 - 2.1 The Sheriff: Peacekeepers, non-lethal weapons, public face of law.
 - 2.2 Judicial: Shadow government, the true power, harsh sentences.
 - 2.3 The Justice Process: Holding cells (Level 1 psychological torture), trials without juries, The Mines (hard labor).
 - 2.4 Surveillance Mechanics: Overt vs. Covert cameras, the “Panopticon Roll” mechanic, deep dive on “Friends of the Silo” informants.
 - 2.5 Taboos: Definition of Relics, the ultimate crime of Sedition (“I want to go outside”).
- **Chapter 3: The Departments**
 - Deep dives on culture, location, and political leverage of: 3.1 IT, 3.2 Mechanical, 3.3 Supply, 3.4 Medical, 3.5 Hydroponics.
- **Chapter 4: The 144 Levels (Gazetteer)**
 - Block-by-block mapping of the entire Silo. (e.g., Hospital is 30-32, Farms are 60-80, Generator is 144).
- **Chapter 5: Culture, Cults, and Sub-factions**
 - 5.1 Dialects: The Drawl (Up Top), The Hustle (Mids), Deep Talk (Down Deep).
 - 5.2 The Porters' Union: Neutrality, the code, the rumor mill.
 - 5.3 Holidays: Lottery Day, The Cleaning, Rest Days.
 - 5.4 Shadow Cults: The Flame Watchers (utopian rebels), Scrap Syndicates (organized crime), Shadow Doctors (illegal medicine).
- **Chapter 30: GM Quick-Reference Sheets**
 - Travel times, security-response cheat sheets, typical bribes, and punishment summaries.
- **Chapter 31: Core Play Procedure**
 - System-agnostic pressure tracks, fail-forward consequences, escalation clocks, and downtime actions.
- **Chapter 32: Faction Sheets**
 - Public face, real objectives, leverage, and typical asks for the major factions.

- **Chapter 33: Slice-of-Life Engine**

- Random generators for block problems, inspections, favors, and sudden shortages.

3. STARTER CAMPAIGNS & PLAYER ARCHETYPES

File: `silo_starter_campaign.md` **Purpose:** Launch-ready campaign support for the first 3-12 sessions of play. **Contents:** * **Player Archetypes:** Job-rooted citizens with gear, secrets, and desires. * **Party Bonds:** Reasons the PCs already trust, need, or owe each other. * **Eight Starter Campaigns:** Four conspiracy-forward arcs and four slice-of-life survival arcs. * **Quick Kits:** Key NPCs, clue chains, escalation clocks, and fail-forward guidance for each campaign.

4. GAME MASTER'S SECRETS & MACRO-LORE

File: `silo_gm_secrets.md` **Purpose:** The overarching truth of the setting, based on the *Wool/Shift/Dust* novels. Strictly for endgame GM use. **Contents:** * **Part 1: The True Reality:** Operation Fifty (the grid of 50 silos), Silo 1 (cryo-pods and control), the Nanobot Dome (why outside is deadly), the truth about the Argon gas and heat-tape during a Cleaning. * **Part 2: The Lies Within:** IT's secret comms room to Silo 1, the hidden IT elevator, amnesiac drugs in the water supply, the massive Digger parked beneath Level 144. * **Part 3: Campaign Pacing Guide:** A 4-phase guide on how to keep the campaign focused on daily survival before introducing the macro-lore.
